

## **How Enzo Changed the World**

**Featuring David Hobbs**

**With Bill Warner and George Levy**

Few personalities have influenced the automotive world more than the late Ferrari founder Enzo Ferrari. During this seminar champion driver and broadcaster David Hobbs, photojournalist Bill Warner and historian George Levy will share their funniest stories about the Ferrari founder and team and, in Hobbs' case, driving for and against Ferrari in major international competition, including in the famous Sunoco-blue Roger Penske Ferrari 512M at Daytona, Sebring and Le Mans. It will be a laugh- and surprise-filled hour, following which you can meet David and purchase his recent autobiography "Hobbo: Motor Racer, Motor Mouth" and Levy's "F1 Mavericks: The Men and Machines that Revolutionized Formula 1 Racing," which is enjoying its worldwide premiere at the Concours d'Elegance of America.
